

FINAL DAYS INTERNATIONAL

World Report January 2024

Happy New Year to all!

God continues to bless abundantly! In Blantyre, Malawi, Africa, Final Days International just finished another 3-day, 15 topic seminar on January 19th, 2024. 183 people attended in total: Sunday pastors, church leaders, and 10 lay members. Out of 176 decision cards the people turned in, 150 accepted the truths we taught and want these truths taught in their church. This is an amazing 86%! Moreover, we are not just talking about 150 people that accepted the Three Angels' Messages, but we are talking about Sunday pastors that represent scores of churches with thousands of members. One pastor alone, Pastor Hiwa, is a leader helping to direct 115 churches with over 8,000 members; Pastor Chilowa has 15 branches with 2,500 members; Pastor Evans has 3 branches with 240 members; and Pastor Khanda has 600 members in his church. Other churches have 42, or 112, or 63, and so on. These men and women understood the seriousness of the days that we are living in and the fast-fulfilling prophecies of Revelation 13. For the first time it was revealed to them who the Antichrist is, what the Mark of the Beast is, the United States' role in prophecy, and what the true Sabbath is! And they were more than happy to hear it!

Next, on January 25th, 2024, we finished a follow up event in Bangula, Malawi, with 63 people attending; I just received pictures and a report that so far 34 people came forward and want to be baptized or re-baptized. They had already attended a 3-day seminar and were hungry for more. So, we taught them. They learned more on the Sabbath, about the Remnant Church, the Sanctuary, health principles, and other topics. One fun, and, "Praise the Lord" moment happened: People in this area love to eat pork. They learned about clean and unclean meat. One speaker raised his hand and asked how many people will continue to eat pork and everyone raised their hand before it was translated; as soon as it was translated, they all quickly put down their hands! Amen! They want to follow God, are catching all of the present truth, and we are thrilled. We are working with the local conference so these newly educated men and women can be nurtured and shepherded.

If the first two paragraphs weren't enough to float your boat and make you want to say hallelujah, hold on to your moorings. Two evangelists with our team have flown over to Hyderabad India to work with a team of Conference evangelists, Final Days International support staff, and AWR and Amazing Facts India associates. 2 days of meetings have transpired so far, testing truths were presented, the Final Days video was played, decision cards were handed out, a call made, and out of 227 people that returned the card, 191 accepted these truths and want them to be taught in their church. This is a tremendous 84%. These lay members, leaders, and Sunday pastors have heard the call to come out of Babylon and accepted it. The trumpet has been blown with no uncertain sound as the team shared the dynamic end time prophecies that are causing thousands to awake to the sound of the Bridegroom coming.

The work of Final Days International doesn't stop in Hyderabad. Nor will it stop so long as we can hasten the soon return of Jesus. The next Monday, directly after the meetings in Hyderabad, we move north hundreds of miles to another location to repeat the call for over 200 lay members, leaders, and Sunday pastors to come of Babylon. Months of pre work has been done. The "Prophecy Revealed" seminar will be conducted, and then our team of dedicated soul winners will move quickly to garnish the fruit that is ripening before our very eyes.

More events will be held during the month of February and March at an undisclosed country that has anti-Christian tenants. Final Days International will be giving the undiluted Present Truth to hundreds more lay members, leaders, and Sunday pastors that came in through the video or that we inherited from another ministry.

In the space of 1 years' time, from April, 2023, to March, 2024, we will have conducted a total of at least 13 seminars with literally thousands of Sunday pastors and leaders. We are pushing forward quickly and fervently ever believing that we are living in the Final Days of Earth's history just before Jesus returns. Also, notably, we continue to unprecedentedly blast the Three Angels' Message to the world on Facebook as we pay to send the video Final Days to 3.5 billion people that have Facebook. We are closing in on the first 100 million video views. As we ramp up, scores of millions of the video will be broadcast simultaneously every month to all parts of the globe. We want to be part of giving the Loud Cry of the Fourth Angel. We understand that in the last days of Earth's history that many will learn the precious truths of the Three Angels' Messages for the first time and will take their stand to live or die for Jesus and the truths of His government.

Before I close this letter, I just checked one Facebook page that we boosted to Kenya 4 days ago, and here are the initial statistics: \$7.78 was spent over 4 days thus far, it went to 33,703 people and 2,837 people watched the video all the way through. That is a cost of 0.0027 cents to get a through play, and only 0.00023 per person to send it to over 33,000 people. That is less than a third of a penny for someone to encounter the Three Angels' Messages, and a tenth of that cost to put it in their hands. This is tremendous! And beyond that, thousands upon thousands are commenting so very positively after they watch this video. As I wrote this letter, one comment came in on Facebook that said "Thank you so much for sharing this video". And another comment came in on WhatsApp from a man named Joshua in Ghana, and he said: "After watching your video I was spiritually forced to repent and surrender my life to Almighty God... It surely was a blessing... I got to know truths that I did not know".

Final Days International has a unique and focused approach to share the Three Angels' Message with the world. and we are motivated by the following inspired words: "In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the word of God. They have been given a work of the most solemn import—the proclamation of the first, second, and third angels' messages. There is no other work of so great importance. They are to allow nothing else to absorb their attention." 9T 19.1.

We are fervently lifting our petitions to the God of the universe that the beginning drops of the latter rain will start to fall more and more; that these efforts will hasten the return of King Jesus; that the Loud Cry of the Fourth Angel will begin to swell throughout this world; and that the final warning to not worship the beast, but to worship our God and Creator, will resound throughout this planet.

Furthermore, we want to sincerely thank all of you for your support and prayers. Many have taken the time to write in and tell us that they are praying for this ministry continually. God has told us: "Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not" Jeremiah 33:3. We truly have seen great and mighty things. Praise God!

"Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." Ephesians 3:20

Wesley Willbanks

President, Final Days International
